

Stop Losing Time. Start Gaining Revenue.

Gateway EDI

Gateway EDI, doesn't just process transactions, it improves your revenue potential – fewer errors, fewer paper claims and more time. Plus, you'll be able to handle remits from multiple health plans in a single place.

With Gateway EDI you can send all your claims to one location with one telephone call saving you time and money. From standard claims processing and status reports to sophisticated technology for flagging rejected claims, Gateway EDI is the ideal solution for your practice. Your claims are automatically checked for missing information, valid procedure and diagnosis codes, and against payer-specific edits improving claims acceptance. Status reports will be sent to the provider listing all accepted and/or rejected claims.

Purchase Gateway EDI through Southern Medical Solutions and rest assured that you will have the outstanding guidance, service and support that hundreds of practices have come to rely on day in and day out. Whether it's installation, training, technical support, or developing customized solutions, we'll help you to get the most from Gateway EDI.
